Open Saturdays & Sundays 12 - 3PM

The New Definition of Urban Chic

- Distinctive 2-4 bedroom homes
- Approx. 1900-4000 sq ft single level floorplans
- Private elevator access to each unit
- Fully-appointed with unprecedented quality
- Private outdoor space
- Garage parking and private landscaped yards available

CA23 is situated in the fabulous WEST LOOP setting, which serves as the foundation for this dramatic 36,000 square foot land site. The inspired, modern architectural atmosphere makes this a unique and exceptional opportunity for today's buyer seeking dynamic space, high quality design and top of the line finishes. Private elevator access to each home emphasizes how special these homes truly are.

Homes starting from \$649,900
